VOL. XI, No. 160 — TUESDAY EVENING, FEBRUARY 10, 1920 — THREE CENTS

WILSON YIELDS ON ARTICLE TEN

LEGAL STEPS MAY BE TAKEN TO AVERT THE RAILWAY MEN'S STRIKE

Secretary Tumulty Lays Situation Before Pres. Wilson, Who Declares Proposed Strike Is Illegal — Fears It Would Lead To Other Strikes

WASHINGTON, Feb. 10. — President Wilson will take up the matter of increased wage demands for railway workers today.

Secretary Tumulty has held a long conference with Director General Hines and will lay the entire matter before the president.

The threatened strike of the maintenance of ways employes is regarded as a serious situation at the white house because it may open the way for other strikes.

The white house takes the attitude that this strike is illegal, because a 30-day notice has not been given and it was intimated that the president may take legal steps to prevent the strike.

WASHINGTON, Feb. 10. — The question of increased wages for railway workers reached a climax today.

Chieftains of the railroad brotherhoods and unions were prepared to demand that Director General Hines give a final answer on their demands which they have been considering in conference for a week.

Little hope was held out by the labor leaders that any increase would be granted and the best they could expect was small adjustment in wage as between various classes of workers. They were prepared to take their demands to President Wilson and remind him that he promised action to reduce living costs, if Director Genereal Hines finally rejected the demands. The chiefs today openly predicted sporadic unauthorized strikes with the danger that these might spread to a general strike if the workers received no satisfaction.

Leaders declared the order for a strike of maintenance of ways employes for February 17, would be an incentive to other workers to strike. Officials of the railroad administration professed to be little worried by the threatened strike of maintenance of way men, declaring that this class of workers is poorly organized and can easily be replaced.

Most of the railroad union leaders are opposed to strike while the railways remain in government control, but they admit that a general railroad strike is planned if the wage demands are still unsettled after their return.

PARALYSIS FATAL TO MRS. WM. M'CANN TUESDAY MORNING

Mrs. William McCann, 75, died at the home of her daughter, Mrs. Milo Houser near the Warner M. E. church with paralysis Tuesday morning at 5 o'clock.

Mrs. McCann had been suffering from this disease for a number of years.

Miss Margaret Wright was born Feb. 20, 1845, near the Warner church in Jackson-tp, and spent her entire childhood on the farm. Miss Wright was united in marriage with Mr. Wm. McCann, April 5, 1868. She united with the Christian church in her girlhood and had been a consistent member thruout her life.

Mr. McCann, who survives her, is 75 years old.

There are surviving besides the husband one son, John McCann, east Walnut-st, Coshocton; one daughter, Mrs. Milo Houser, near Warner church; two brothers, Henry Wright of Michigan and John Wright, St. Louis, Mo., two sisters, Mrs. George Strausburg of Coshocton and Mrs. Laura Kirkpatrick of St. Louis, Mo.

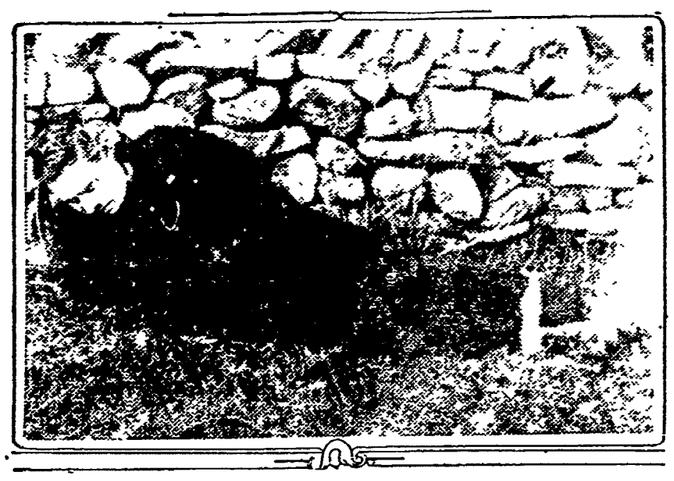

The funeral services will be held at the home of the daughter, Mrs. Milo Hauser Thursday morning at ten o'clock.

Interment will be made in South Lawn cemetery.

Walks To Hospital At Age Of 102 Yrs.

NEW YORK, Feb. 10.—Despite her 102 years, Mrs. Fannie Cohen traveled alone and unassisted from her home to Bellevue hospital where she sought admission. She is suffering from ailments due to old age. Her home is several miles from the hospital.

SINN FEINERS CAPTURE A CONSTABLE

Constable McComiskey, as the Sinn Feiners left him.

Two hundred Sinn Feiners, armed with bombs and other weapons, stormed the police barracks in Drumbane County, Tipperary, recently, and a five-hour battle ensued. Much damage was done. Constable McComiskey, who was on patrol duty in the neighborhood, was arrested by the Sinn Feiners and tied hand and foot. He was left in that predicament all night, and almost died of exposure.

U. S. REGULARS KEEP ORDER AT LEXINGTON K. Y. FOLLOWING RIOT

Five Dead And 17 Wounded In Unsuccessful Attempt By Mob To Lynch Colored Murderer Monday—Negro Under Sentence Of Death

LEXINGTON, Ky., Feb. 10.—Lexington breathed easier with the approach of dawn today. Despite reassuring statements issued late last night by General Marshall in command of the first division regulars, there was general fear that another effort would be made under cover of darkness to take William Lockett, negro murderer, from the county jail and precipitate a repetition of yesterday's clash which cost five lives and seventeen wounded.

All night long the regulars, reinforced by state guardsmen and city policemen were on the alert for any indication of trouble. Prompt steps by General Marshall in meeting a train bearing a large number of mountaineers from Breathitt-co some distance from the city, is believed to have broken up any plans that may have been under way for an assault on the jail.

Outposts were established on all of the 12 pikes leading into Lexington and all persons turned back. A guard line extended about the court house at a distance of three blocks. All entering within this line were first searched. In his cell in the county jail, Lockett, under sentence to die in the electric chair March 11, remained all thru the night in a kneeling position, his head in his hands. A report that Lockett had been spirited away in a motor truck, his face whitened to disguise him, was denied by army officers, altho generally credited here by civilians. As soon as opportunity offers, Lockett is to be taken to the Eddyville penitentiary.

Arrival here today of Major General Charles F. Summerall to take over command of the situation, was to be followed by a general search of the city for the ring leaders of yesterday's mob. Two hundred additional regulars were to accompany General Summerall here.

Gov. Edwin P. Morrow over the telephone from Frankfort declared that the troops absolutely will preserve law and order no matter what the consequences may be.

WOODROME MAY DIE FROM HURTS IN MINE MISHAP

Thomas Woodrome, 19, 673 Wilson-av was resting as easy as could be expected at the city hospital Tuesday following his serious injury Saturday by a fall of rock in the Eckles mine south of Warwick at Locust Grove.

The young man's pelvis was crushed by the heavy rock, which it required the combined effort of four men to lift sufficiently at one end to allow the injured youth to extricate himself.

The attending physicians could offer no encouragement to the family Tuesday, the only hope lying in the victim's youth and vigor.

An operation was performed Sunday afternoon, the results of which are still uncertain. The patient has retained consciousness and suffers intense pain.

EASTER SUNDAY COMES APRIL 4

Easter Sunday this year falls on April 4.

Last year it came on April 20.

Almanacs say the date is fixed upon the "first Sunday after the first full moon after the sun crosses the equator."

This arrangement gives the date of the function a leeway of some 34 days, or from March 22 to April 24. Only once in two hundred years and that in the year 1818, has it ever come as early as March 22, figures covering the nineteenth and twentieth centuries show. Only once during these two centuries has it fallen as late as April 24. That was in 1859. In 1916, however, it came upon April 23, and had it not been a leap year the record mark would have been touched.

Next year Easter Sunday will be celebrated March 27, according to the almanac. This will mark the earliest celebration since 1913, when it fell on March 23.

EDISON'S BIRTHDAY

ORANGE, N. J., Feb. 10.—Mayor William Lord issued a proclamation today calling upon the people of Orange to decorate their home in honor of Thomas A. Edison, who will be 73 years old tomorrow.

PRESIDENT'S WILLINGNESS TO ACCEPT A COMPROMISE ANNOUNCED

Believes Firmly That Treaty Dispute Will Be Settled In Senate

WASHINGTON, Feb. 10. President Wilson is willing to accept a compromise on Article X of the league of nations covenant. This was stated at the white house today.

Furthermore the president is hopeful that the Democrats and the "mild reservationists" may reach a compromise on all reservations and it was learned the president would favor such action based on the Hitchcock reservations.

President Wilson's letter to Senator Hitchcock, which was read at the Democratic caucus last Saturday, has been interpreted, it was stated, at the white house.

The president intended to inform Senator Hitchcock that he was agreeable "to the substance" of the Hitchcock reservation to Article X and was also in support of the reservations put forth by Senator Hitchcock in the bipartisan conference.

The president believes firmly that a satisfactory compromise will be reached between the Democrats and the "mild reservationists" when the treaty reaches the floor again, it was learned.

President Wilson is not altogether pleased with the way in which his letter was handled, it was learned. He sees no reason why the letter, written on January 26, was withheld until last Saturday. The Grey letter was written and made public in the meantime and the president believes that this has led to confusion. He has been at a loss to understand why his letter was "misinterpreted" by the Democratic senators.

WASHINGTON, Feb 10—And now the "flu" has reached the senate and will further delay the peace treaty.

Senator Lodge, the Republican leader, said today re-consideration of the treaty would "probably go over" until Monday because a number of senators are indisposed with slight colds.

Senators Johnson, of California; Reed of Missiouri, and La Follette, of Wisconsin, three "irreconcilables" who have figured conspicuously in the tempestuous opposition to the league of nations, are among those nursing "bad colds," showing symtoms of the flu.

Enough Republican and Democrat senators were on the "sick list" to warrant the senate to defer the action on the treaty.

The senate foreign relations committee was expected to comply promptly with the instructions imposed upon it by a coalition of Republican and Democrat senators, constituting an overwhelming majority, and report the treaty back to the senate with the Lodge reservations.

Whether this will be done today or tomorrow or not until Monday in view of the situation in the senate, was to be determined.

The "mild reservationists" exacted a promise from Senator Lodge, he would bring the modified reservations agreed to at the recent bi-partisan conference to the senate's attetion.

Two Have "Flu"

Mrs. Fred Emig is confined to her home on Kenilworth-av with flu.

Mrs. George Weaver, Fourteenth-st, is ill with flu.

BRITISH PARLIAMENT RECONVENES WITH LIKELIHOOD OF EVENTUALLY PERMITTING A GENERAL ELECTION

ORGANIZES WOMEN DEMOCRATS OF U. S.; SAYS HARMONY REIGNS IN THE RANKS

Miss Margaret Vale.

Misunderstandings which led to the formation of the Women Democrats of America have been dissipated, according to Miss Margaret Vale, sponser of the society, and a permanent organization has been effected. The society, which will co-operate with the official party agencies, national, state and local, has been approved, according to Miss Vale, by Mrs. George Bass, chairman of the women's bureau of the Democratic national committee.

Irish Question, Ever Present, Is Demanding Attention Of British Law Makers—King's Speech, Touching Upon Grave Problems Was Keenly Awaited

LONDON, Feb. 10.—That Great Britain is preparing to curb her liquor traffic was revealed by King George today in his speech from the throne convening parliament.

"The war showed the danger of excessive drinking, and a bill suitable for peace time alcoholic beverages is forthcoming" said the King.

King George appeared for peace in Eastern Europe and Russia, saying:

"So long as these vast regions withhold their full contribution of the world's commodities, the cost of living cannot be reduced nor general propriety restored thruout the world."

Touching on the acute Irish situation King George declared that "conditions in Ireland cause me grave concern." He continued:

"But proposals will soon be laid before you for a better government in that country, such as were outlined at the end of the last session. Also a bill containing further provisions for education n Ireland will be submitted."

King George expressed the hope that peace would soon be effective with Turkey and that the Adriatic controversy would be settled.

"The adverse exchange rates are menacing our food supply. Therefore bills should be considered to stimulate production and develop the fishing industry."

The King's constructive recommendations include:

1. An enduring settlement of the coal miners controversy.
2. Alleviation of unemployment,

STRICKEN FAMILY LOSES FATHER IN DEADLY EPIDEMIC

When Archie Maston, 34, died Monday evening at the City hospital in Coshocton from influenza he left a widow and five small daughters ranging in age from six months to eight years at the home near Blooming Grove church on Coshocton Route 7, too ill from the same disease to fully realize their great misfortune.

The mother and children were all reported as slightly improved Tuesday and hopes are entertained for the recovery of all, providing the shock of the husband and father's death does not intensify their illness.

Archie Maston had been ill one week. His condition grew steadily worse while he bravely attempted to ease the suffering of his family, and it became necessary to remove him to the hospital where the end came very speedily.

Mr. Maston was born in the community in which he always lived. He was a farmer, and enjoyed the respect and confidence of numerous friends and acquaintances to whom his untimely death comes as a severe shock.

The widow was Miss Zona Clark, who was born and reared in the same community with her late husband. One half sister, Miss Velma Curran lives in the Blooming Grove vicinity, and two half brothers are Charles Curran, of Panama Canal zone and Frank Curran of Zanesville.

Short funeral services will be held at the late home Wednesday afternoon at 2 o'clock. Burial will be made in Antioch cemetery a half mile west of Blooming Grove church.

Russell Smith, Orange-st, went to Canton Tuesday morning on business.

First Snake Is Seen Close Upon First Robin's Heels

The first robin in this vicinity has only about a week's edge on the first snake.

The robin's only real claim to distinction is that there are more of him than there is of His Snakeship and that his is a voluntary, premeditated appearance, while the advent of the First Snake was due to no act of his own, but he came and went all unconscious of the fame he was to achieve.

It happened this way. Ralph and Russell, sons of D. B. Reiss, who live on the old Compton farm west of Roscoe, were wandering along a small stream that runs thru the place when they almost stepped on a dangerous looking reptile about three feet in length and thick of body.

It was the First Snake. He had presumably crept into a hole at the edge of the stream last fall, for his long winter's nap. The erosion of the stream itself and the thick cakes of ice that were constantly carried by the snake's winter quarters had exhumed him a couple of months too early.

After sidestepping his majesty carefully and from every angle, the boys finally realized that he was still dormant and, therefore, harmless, so they cautiously picked him up on a couple of sticks and consigned his body to the frigid waters of the creek.

Crown Prince Wires President Wilson His Lofty Proposition

WASHINGTON, Feb. 10.—President Wilson today received a cablegram from the former crown prince William of Germany announcing that he is willing to stand trial instead of some of the German officers who were called for by the allies.

VENIREMEN ARE DRAWN FOR TRIAL ON THEFT CHARGE

Eighteen names from which the jury to sit in the trial of Clyde Bender will be selected, were drawn at the courthouse Tuesday morning.

To continue the prosecution against Bender and his associates in the alleged theft of the Russell Raymer car 48 jurors will be needed. The trials of two or three may be held over till the April term of the court.

The names drawn Tuesday included: W. M. Smith, Tuscarawas-tp; John H. Bossom, Tuscarawas tp; Austin Norris, Bedford-tp; Paul Wonker, Linton-tp; Edward B. Endsley Clark tp; John Gamble, Monroe tp, Harry Bonham, Perry tp; Simon Asherain, Bedford-tp; Alvin Day, Franklin tp, C. E. Darling, Jefferson-tp; Harry Ringwalt, New Castle-tp; George Holderbaum, Lafayette tp; Dan McCurdy, Bedford-tp; Grover Shartz, Lafayette tp; G. A. Rinner, Crawford tp; L. G. Reese, Tiverton-tp; William Lorenz, Lafayette-tp; P. C. Shipps, Tuscarawas tp.

COUNTY'S BANKS WILL CELEBRATE TWO BIRTHDAYS

Coshocton banks will observe Lincoln's birthday, February 12, as a holiday. Banks of Ohio and most of the other states of the union will pay the Great Emancipator the same tribute.

Washington's birthday will be celebrated February 23 this year by all banks because February 22 falls on Sunday. There will be no banks in the county open February 12 or February 23.

FALLING? HERE'S WHERE IT SHOWS

To stop falling hair at once and rid the scalp of every particle of dandruff get a small bottle of delightful "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Your hair will grow strong, thick and long and appear soft, glossy and twice as beautiful and abundant. Try it!

FLU RAVISHES STORM-BOUND MASS. VILLAGE

NORTHAMPTON, Mass., Feb. 10—Several relief expeditions succeeded today in reaching the storm bound village of Cumminton and found conditions pitiful

The village has been cut off from the outside since Thursday with more than 170 cases of influenza among the inhabitants. Since Saturday the village has been without bread, fruits, vegetables or medical supplies. Less than a dozen men were left able bodied enough to aid the sufferers.

Sleep?
Does a dry cough keep you awake?
KEMP'S BALSAM
will stop the tickle that makes you cough.
GUARANTEED.

Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare, and really there is nothing better for coughs.

Into a pint bottle, put 2½ ounces of Pinex; then add plain granulated sugar syrup to make a full pint. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, the full pint saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchial coughs, croup, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable known for throat and chest ailments.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

HAVE YOU STOMACH TROUBLE

READ THIS

"I have had stomach trouble for twenty years and have tried several remedies. Not one helped me any good and I have doctored with physicians for ten years. I have taken three bottles of Marlix and it has done me more good than anything I ever taken. Since I have taken Marlix I sleep well and can eat anything without hurting my stomach.—Mrs. E. H. Gaskill, Fort Wayne, Ind.

"I find that Marlix does me more good than any [illegible] I have been having sour stomach for two years and Marlix helped me"—Mrs. Ollie Ledford, [illegible], Tenn.

If you want to get rid of stomach headaches, sour acid stomach, gas, belching, bloating, heartburn, constipation, nervousness and other distress you usually suffer, here is a sure way to find it.

Get a bottle of Old MARLIX today. Use as directed—then, watch your [illegible] disappear. Watch [illegible] up. Watch how you [illegible] the way you feel after eating. Note how long you have suffered or what you have tried. MARLIX does not fail. It's only 75c and is absolutely guaranteed by The Marlix Co., Fort Wayne, Ind., and druggists.

You can get it in Coshocton, at The Wimmer-Arnold Co.

WILSON URGES DEMOCRATS NOT TO TAKE SIDES

WASHINGTON, Feb. 10. — President Wilson today urged that the Democratic members of congress take no action opposing universal military training. The letter was addressed to Secretary Baker and sent by the secretary to congress in anticipation of the caucus held by the Democrats in the house this afternoon.

The president's letter follows:

"My Dear Mr. Secretary:

"I am told that a caucus of the Democratic members of the senate have been called to consider pending military legislation and that the suggestion has been made that a resolution be adopted committing the Democratic membership of the house against the policy of general military training. In the present circumstances it would seem to me unfortunate to make a party issue on this subject particularly since within a few months the party will assemble in convention and declare the principles upon which it deems it wise to commit itself in a national election. The present disturbed state of the world business does not permit such sureness with regard to America's obligations as to allow us lightly to decide upon this great question upon purely military grounds while the demonstrated advantage to the youth which has come from military service, in the war plainly suggests that in the national interest, quite a part from purely military considerations, a moderate and carefully conducted course of universal training may have the highest possible advantages. In our discussion of this subject, you will recall I gave my approval in principle to the very moderate training project suggested by the general staff, and I would be very glad to have you convey to appropriate members of the house who will attend the caucus my strong feeling against action by the caucus which will tend to interpose an arbitrary party determination to the consideration to which this subject should receive from the best thot of the members of the house, considering alike the national emergencies which may confront us and the great disciplinary and other advantages which such a system plainly promises for the young men of the country.

Cordially and Sincerely Yours,
"WOODROW WILSON."

Muskrat Is Only Fur Not Protected Today

Muskrat is the only exception of the fur bearing animals you are allowed to trap now.

Legal trapping of the muskrat will end March 1.

The Mink, Fox, Raccoon, Skunk and Opossum season ended February 1.

A fine of $25.00 and costs is the penalty for having in possession any green pelts.

EASES A COLD WITH ONE DOSE

"Pape's Cold Compound" Then Breaks Up a Cold in a Few Hours.

Relief comes instantly. A dose taken every two hours until three doses are taken usually breaks up a severe cold and ends all the grippe misery.

The very first dose opens your clogged-up nostrils and the air passages in the head, stops nose running, relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Clear your congested head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, contains no quinine—insist upon Pape's!

Begy's MUSTARINE

Chemist Begy Says

When aches and pains distress you and keep you uneasy and unfit, just rub on a little Begy's Mustarine. It cannot blister even though you'll find it many times stronger than anything else you can buy.

There's lots of things that will give temporary relief for

Bronchitis
Sore Throat

but I want you to remember, if you want lasting relief, that heat is absolutely necessary to reduce the inflammation and scatter congestion.

Heat eases pain and heat is just what you get when you use Begy's Mustarine for lumbago, neuralgia, sciatica and rheumatic pains and twinges. 30 cents.

BEGY'S MUSTARINE
THE YELLOW BOX

Spanish Influenza Epidemic Grows

Many Cases Develop Into Deadly Pneumonia. Easier to Prevent Than Cure. How to Avoid.

The constant daily increase of Spanish influenza reported by physicians shows clearly that many people are failing to take the simple ordinary precautions necessary to avoid infection. For, while Influenza, after its development, is sometimes difficult to cure, it is an easily preventable disease

The best plan is to begin treatment before the first symptom starts. For no other disease will develop so quickly or spread so rapidly. You may feel fine today—be sick tomorrow and lose a week or more of work. You will indeed be fortunate if pneumonia does not develop.

The air today is full of influenza germs. Every breath you take is likely to draw them into your nose and throat. You can prevent the disease by killing the germs before they spread throughout your body. There is probably no safer or surer way to do this than to go to the nearest drug store and get one of the famous Hyomei Inhaling Outfits consisting of a bottle of the pure Oil of Hyomei and a little vest-pocket, hard rubber inhaling device into which a few drops of the Oil of Hyomei are poured.

Just breathe this Oil of Hyomei deep into your nose, throat and lungs and every particle of air that enters your breathing organs will be charged with an antiseptic, germ killing balsam that will destroy the germs that have found lodgment there.

You can't do this too often. No ordinary night and morning gargling or throat spraying will be sufficient so long as during the day you come in constant contact with infection. The Hyomei inhaler is small and can be conveniently carried in a handbag or vest-pocket. Every half hour or so throughout the day take it out and draw a few breaths of its pure healing air into your nose and throat. By doing this you can prevent infection and check the further spread of the disease even though you are coming in direct contact with it. This is an inexpensive treatment as the inhaler will last a life time and further supplies of the Oil of Hyomei can be had at any drug store for a few cents.

NOTE: Oil of Hyomei, so strongly recommended above for the prevention of Spanish Influenza is not a new discovery but is the application of an old and time-tried treatment to a new disease. Hyomei has been a standard in the treatment of catarrh and colds for over twenty years and is sold by druggists everywhere. Hundreds of people in Coshocton and vicinity keep a Hyomei Outfit with inhaler on the bathroom shelf for regular winter use. If you have one, get it out now and use it. If you haven't one, go to the nearest drug store and get one today. It is the duty of every person, not only for his own sake but for the community to do all in his power to prevent further spread of the epidemic and to stamp it out.

REMOVAL OF CHIMNEY SOOT

Removal of soot deposits from flues and heating surfaces of house and other heating boilers as well as power plant boilers is suggested by the United States Fuel Administration. Joseph Harrington, Administrative Engineer for the Administration, located in Chicago, suggests the following plan for removal of soot:

"The fire is put into good condition with a substantial body of hot fuel. Common salt, thoroly dried, is then thrown or sprinkled onto the incandescent bed in a quantity depending entirely on the size of the furnace. In the case of a house furnace, one pound at a time is ample, in the case of a large power plant boiler, four or five scoops full may be required. The dampers are kept open so as to maintain the furnace temperature and the salt is allowed to remain until the fumes have entirely disappeared.

"The furnace becomes filled with dense white fumes which may require as much as half an hour to entirely disappear. If results are not secured on the first application, it should be repeated as many times as necessary.

"Once the heating surface is thoroly cleaned a small application every few days is usually sufficient to keep it so.

"Everyone in the world is urged by the government to use this remarkably simple and cheap process for getting rid of the soot, cleaning and heating their homes and factories, thus saving large amounts of coal, preventing fires from chimneys and generally conserving all along the line of heating and the production of power."

MONTHLY REPORT OF CITY CHARITIES

The following is the report of the work of the associated charities for the month of Jan 1920.

Families under care—16.
Persons under care 71
Widows under care 6.
Deserted wives under care—5.
Aged couples under care—2.
Applications caused by illness—9
Calls made by secretary upon families or in their behalf—53.
Calls at office 58.
Interviews by telephone 6.

The office of the Associated Charities is located in the Public Library and is open every week day afternoon except Saturdays, from 4 to 5 o'clock.

All U. S. Generals Visited Ft. Leavenworth

LEAVENWORTH Kan. Feb 10—With the recent visit of General Pershing here it was recalled by "old-timers" that every officer of his rank in the American Army with the exception of Washington, has been the guest of Fort Leavenworth.

General Sherman came to Fort Leavenworth in 1872. General Grant the same year. General Sheridan was commandant at the fort in 1868 and 1869.

NETWORK OF AIR MAIL ROUTES IS AUTHORITY'S PLAN

WASHINGTON, Feb. 10. — Establishment of trans-continental aerial mail routes and supplementary routes covering practically the entire country was advocated today by Assistant Postmaster General Praeger before the Senate postoffice committee. In addition to the government routes, Mr. Praeger asked that the department be given authority to contract for air mail routes as feeders to the main system.

"This will aid the development of the air mail industry more than any other thing," Praeger declared.

A total appropriation of $3,400,000 was asked to carry out the plan.

In addition to the present routes and a route from Chicago to Omaha, which will be established as soon as the winter weather is over, Praeger made the following recommendations:

New York to San Francisco.

Pittsburgh, Cincinnati, St. Louis, Indianapolis, Wheeling, and Kansas City, $795,429.

Detroit, Toledo and Cleveland, $195,727.

Chicago, St. Louis, Minneapolis, and St. Paul, $452,452.

Washington to Atlanta.

At the present time the department has not developed a plane which would fly every day on mail schedule over the Rockies to San Francisco. At Omaha, the city has erected a hangar and constructed a flying field for the department.

For the extension of the service from Omaha to San Francisco a new high powered plane is being developed.

6th St. Theatre

"CHOCOLATE SOLDIER"

Advance information as to "The Chocolate Soldier" which comes to the Sixth Street Theatre Friday gives assurance that Ralph Dunbar, the producer, has in this his latest venture outdone his earlier formidable achievements, which include "Robinhood" and other noteworthy productions. Critics describe the visual effect as nothing short of dazzling, with the best scenic equipment and lighting effects the famous comic opera has ever had. The costuming, too, is unusually elaborate and colorful. The orchestra carried consists of players selected from leading Symphony orchestra, of which Mr. John Lyding, one of America's most competent conductors, is the director. Every item of mis-en-scene is carried by the company, and, therefore, a performance exactly the same as is given in the largest cities will be given here.

It is along this line that Mr. Dunbar has made an array of friends in the smaller cities. His advertisements which include the phrase "on the basis of the square deal" evidently have been found to mean that he does not rig up a cheap production and send it on tour to fool people, but actually delivers the finest productions and the very best cast that money and genius, efficiently applied, can assemble.

Born in 1839 Dr. Caldwell Still in His Office Daily

Wonderful vigor of the founder of Dr. Caldwell's Syrup Pepsin. Millions now use his famous prescription

Physicians know that good health depends largely upon proper digestion and elimination and that much sickness results from constipation. No one knows this better than the "family" doctor, the general practioner.

DR. W. B. Caldwell of Monticello, Illinois, was and is a family doctor. The whole human body, not any small part of it, was his practice. More than half his "calls" were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough evacuation. They were constipated.

Dr. Caldwell in the course of 40 years' practice, for he was graduated from Rush Medical College back in 1875, had found a good deal of success in such cases with a prescription of his own containing simple laxative herbs with pepsin. In 1892 he decided to use this formula in the manufacture of a medicine to be known as Dr. Caldwell's Syrup Pepsin, and in that year the preparation was first placed on the market. The picture of Dr. Caldwell that appears on the package was taken in that year.

The preparation immediately had as great a success in the drug stores as it previously had in the doctor's private practice. Today the third generation is using it. Mothers are giving it to their children who were given it by their mothers. Every second of the working day someone somewhere is going into a drug store to buy it, for Dr. Caldwell's Syrup Pepsin is selling at the rate of over 6 million bottles a year.

Its great success is based on merit, on repeated buying, on one satisfied user telling another. There are thousands of homes in this country that are never without a bottle of Syrup Pepsin, and the formulator of that prescription is fortunately living to see its wonderful success.

Women, children and elderly people are especially benefitted by Dr. Caldwell's Syrup Pepsin. While it is promptly effective on the most robust constitution and in the most obstinate cases, it is mild and gentle in its action and does not cause griping and strain. Containing neither opiates nor narcotics, it is safe for the tiniest baby and children like it and take it willingly.

Every drug store sells Dr. Caldwell's Syrup Pepsin. Keep a bottle in your home. Where many live someone is sure to need it quickly.

DR. W. B. CALDWELL TODAY
Born Shelbyville, Mo., March 27, 1839
Began the manufacture of his famous prescription in 1892

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

NINE HAVE FLU

Nine cases of flu are reported by residents of North Ninth-st.

Mrs. Emmet Haines, Mrs. Eckleberry and Philip Arbogast are suffering with the flu.

FAILED TO KILL

SANDUSKY, O., Feb. 10. — William F. Hardy, Prudential Insurance Co. superintendent here, attempted suicide in his office today by shooting himself thru the eye. Failing health is believed to have been the cause of the deed.

HAS INFLUENZA

Mrs. Edwin Sibley, 731 South Lawnav is confined to her bed suffering with flu.

EXTENSION SCHOOL THIS WEEK AT PLAINFIELD, IS POSTPONED ACCOUNT FLU

The rapid development and spread of "flu" within the last 48 hours caused the postponement of the County Extension school to have been held in Plainfield Feb 9-13

The instructors in charge of the program were present Monday and decided upon a postponment when shown that "flu" had cut the attendance down to 30 persons. Normally about 200 attend the school

Late Monday afternoon 25 cases of "flu" were reported in the Plainfield vicinity. None, however, are believed to be serious.

The dates upon which the school will now be held have not been decided upon.

Elk In Death Struggle With Barbed-Wire Fence

PIERRE, S. D., Feb. 10—Winner in numerous battles with bull buffalo and males of its own kind, a big elk, king of Scotty Phillip's herd for more than a decade, recently fought its last battle, and a barbed wire fence was the victor in a struggle to the death.

Evidently taking a dislike to the heavy wire fence surrounding the Phillips' ranch, the animal leaped to clear it, but failed and landed squarely on the sharp barbs of the topmost wire. After a terrific struggle, the animal tore itself loose, but died of its wounds.

We Want Lumber!

WE ARE in the market for Hickory axles and plank—White Ash and Poplar, and tough, straight grain White Oak suitable for wagon tongues, bolsters, etc. Let us know what you have to offer in car and less than car lots and we will quote price and send list of dimension stock. Will send inspector for 5,000 feet or more.

THE BROWN MFG. CO. Zanesville, Ohio

LOU-PENN OIL

Actively Dealt In On The Pittsburgh Curb Market.

It is our belief that the movement has just started in this issue and we look for much higher prices. Therefore suggest its immediate purchase at the market.

Better than Pills

YOU WILL NEVER wish to take another dose of pills after having once used Chamberlain's Tablets. They are easier and more pleasant to take, more gentle and mild in their action and more reliable. They leave the bowels in a natural condition, while the use of pills is often followed by severe constipation, requiring a constant increase in the dose. Every bottle guaranteed by your druggist.

Chamberlain's Tablets

A Woman's Message to Women:

(TRADE-MARK)

CINCINNATI, OHIO.

"When I received your generous trial treatment, I was run-down, almost a wreck, could scarcely stay up to do my work. I had little interest in life, was irritable beyond control; but believe me when I say your treatment gave me at once and now I feel like a new woman. The terrible pains in my side and the heavy dragging down feeling are all gone. I honestly believe I was saved from an operation. Mrs Summers' Opaline Remedy is truly a God-send to suffering women. Please print this if it will lend any sufferer to recovery."

MRS. T. G. CARTER, 2823 Russell Ave,

DETROIT, MICH.

"Six months ago I wrote for a sample of Mrs Summers' Opaline treatment. I had spent hundreds of dollars seeking health, before I overcame my prejudice to advertised medicines and used your remedy. I was just at the point of having an operation, as I was in terrible shape from not having proper care after confinement. I ordered six boxes of your treatment, and today I am a well woman, can do my work and enjoy myself. Words cannot express my gratitude. Use my letter wherever you wish, as I am convinced there is nothing in the world like the Opaline Treatment." MRS. CHARLES LENTZ,

816 Sheridan Street.

Only A Woman Knows A Woman's Trials and Understands Her Need of Sympathy and Help.

That is why hundreds of women gladly testify to the value of Mrs. Summers' popular Opaline Home Treatment in relieving so much of the misery and suffering known only to womankind. READER, if you are troubled with some of those special ailments of women—

SEND FOR A FREE TEN DAYS' TREATMENT

with illustrated, descriptive copy of "Woman's Own Medical Adviser." Test Mrs Summers' Opaline Remedy for yourself, in your home, without the knowledge or aid of anyone. You can then continue if you wish, at about 15c. a week. For twenty-five years women reported it satisfactory, and often superior to agreeable tonics and compounds. Used by old and young and does not interfere with daily work. Write in confidence, as your letter is opened, read and answered by a Woman. For the Free Trial, address,

THE SUMMERS MEDICAL CO., Women's Dept. O, South Bend, Ind.

(Mrs. Summers' Remedies Are Sold At Leading Drug Stores.)

CORRUPTION IN POLITICS PLAYS ON BOTH SIDES

GRAND RAPIDS, MICH., Feb. 10.—The prosecution in the case of Truman H. Newberry and his 122 co-defendants had the first "backfire" in their barrage of fire today when R. W. Winny testified he had been paid $50 a day for nine days political work for Charles E. Osborne, Newberry's opponent in the 1918 senatorial primaries.

Winny's statement came on cross examination after he had testified to a conversation with Louis S. Burr, one of the defendants, in which he said Burr admitted that Paul H. King, Newberry's campaign manager had agreed to pay a $50 bill for him, when he attended a convention here in the summer of 1918.

A dozen other minor witnesses testified today to having been paid sums ranging from $5 to $25 out of the Newberry campaign fund.

LITHUANIA IS PLANNING HER INDEPENDENCE

WASHINGTON, Feb. 10. — Steps have been taken to insure the Independence of Lithuania according to letters from Secretary of State Lansing to the Lithuania national council, made public this afternoon.

Secretary Lansing informed the council that this government has not recognized Lithuania could not receive diplomatic reports but he stated that President Wilson had agreed with representatives of the allies that if when a constitutional government is set up in Russia, Lithuania is not recognized the matter will be taken up by the league of nations.

Secretary Lansing stated in his letters that President Wilson had not wished to prejudice in advance the establishment of orderly constitutional government in Russia, and had agreed that this nation should give aid to Admiral Kolchak with the understanding that Lithuania was to be recognized as an independent government upon the establishment of a constitutional government in Russia.

WOULD MAKE HIM LIBERAL PRES.

JERSEY CITY, N. J., Feb. 10. — Many letters from all over the country are reaching Gov. Edward' L Edwards, New Jersey's wet governor urging him to become the presidential candidate on a liquor platform, his secretary said today. Residents in Vermont, Texas, Washington and Florida, are among the governor's booster.

Names Sister, Dies

BUCYRUS, Feb. 10. — On her deathbed in the county hospital here, 12-year old LaVerne Holman named her baby sister, Mary Ruth.

The babe was born in the home of Mr. and Mrs. Ollien Holman, Texas township, Crawford county, after little LaVerne had been taken to the hospital where she died after a month's illness with appendicitis and complications.

Mantamata Turtle is World's Ugliest Animal

LONDON, Feb. 10.—The wart-hog is no beauty; the Tasmanian devil is no pet for a lady, but the London Zoo's candidate for the world's ugliest animal is a new Mantamata turtle, which has been hunger striking since brot from Rio Negro, Brazil.

It has a shell which looks like a lump of rock on which weed grows freely. His head appears to be a smaller flat rock, and around his jaws are a number of tentacles resembling worms. These are his bait. Fish nibble at the "worms" and Mr Turtle gobbles up a meal.

BRIGHT SPOTS IN THE DAY'S NEWS

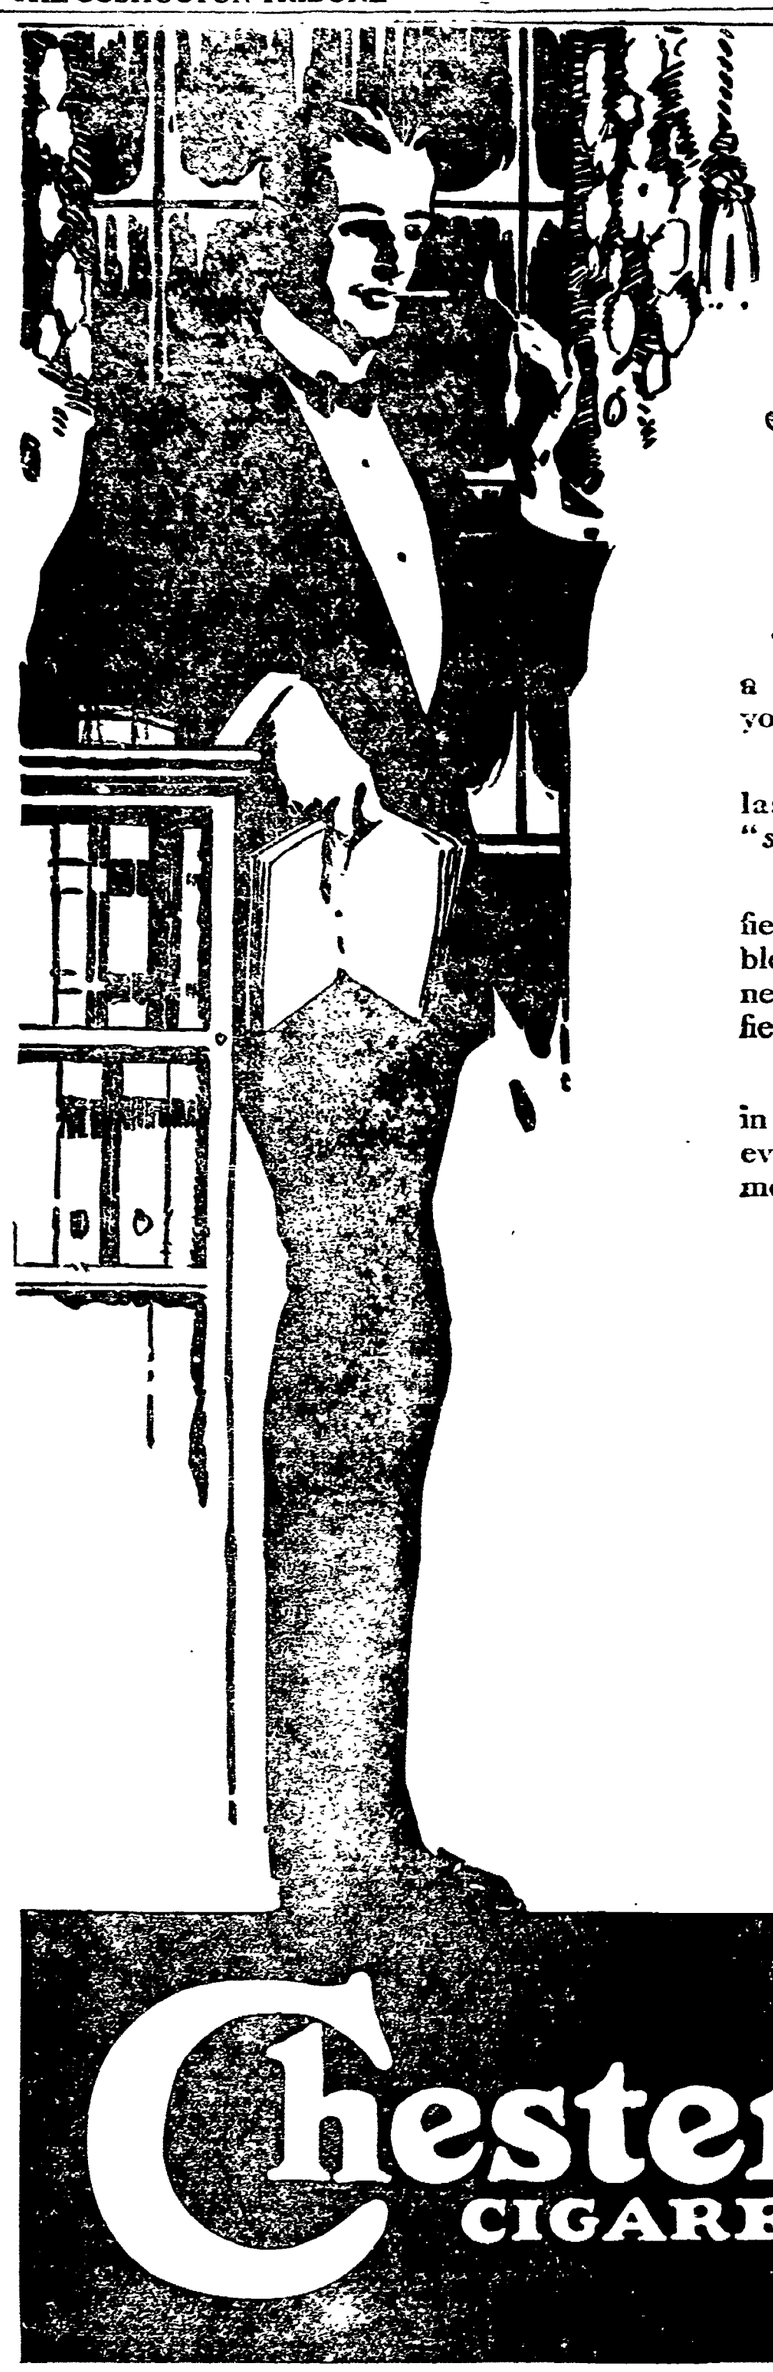

Natural inventiveness shows itself at an early age.

Scores of boys at Columbus made merry over the icy sidewalks with sled and skates.

Numerous hairbreadth escapes from injury marked their play.

One lad, traveling at a swift pace, was coasting across the street. Looking up, he saw an auto almost upon him.

Quietly, he lifted himself while the sled slid out from under him. The lad escaped injury by inches.

SPORT NOTES

NEW YORK, Feb. 10.—Charges that Jack Dempsey played the role of a slacker during the war will be investigated here Wednesday by a committee representing the Army, Navy and Civilian Board of Boxing control. The hearing is to be held at Dempsey's request.

Major Anthony J. Drexel Biddle, president of the board, heads the committee. The worlds heavyweight champion has placed an affidavit in the hands of the board

NEW YORK, Feb. 10—Corporal Jack Plumenfell, of the British army, a welterweight boxer, has today arrived here from England to seek honors in his division.

CHICAGO, Feb. 9—Baseball magnate from all sections of the country arrived in Chicago today to take part in the many major and minor league meeting which are to be held here this week.

Members of the joint rules committee of the American and National leagues assembled informally and unanimously agreed that all freak slabbing methods should be barred from professional baseball, including the much debated "spit ball." Ratification of the decision is expected to be made at a following meeting later in the day.

American Association managers early arrivals in town and will hold their first meeting today at the Hotel Sherman

TOLEDO, O., Feb. 10—During the first week of March, Toledo is to be the scene of a flyweight championship match between Jimmy Wilde, British champion and Frankie Mason, Fort Wayne. The arrangements of the match, which was made in Milwaukee Saturday night, wass made today by Addison Q. Thatcher, president of the Toledo Athletic Club. Both battlers are to weigh 108 pounds and the go will be over the twelve rounde route. Wilde will receive $10,000 and expenses, Maston to get $5,000.

Here's What To Do For Fly-Ridden Wheat

Reports indicate much early sown wheat which has been badly damaged by the Hessian fly will probably be plowed under. [illegible] entomology and crop [illegible] should be at least six inches [illegible] a jointer sod [illegible] aged turn the infested plants [illegible] of a tom of the furrow. [illegible] be done if possible before [illegible] Johnson southern Ohio and [illegible] in the eastern Ohio. If done before [illegible] the "flaxseeds" of the [illegible] and small brood emerge to lay eggs [illegible]

[illegible] tests have shown that very few of the adult flies are able to reach the surface when [illegible] and plowed [illegible]

Mother and Daughter Buried In Same Casket

TOPEKA, KAN., Feb. 10—The bodies [illegible] twenty-six, a [illegible] aged [illegible] of a [illegible] Johnson [illegible] in the [illegible] of the [illegible] small [illegible] hours [illegible]

For your table drink the safest, satisfying beverage is

Instant Postum

When tea or coffee disagrees—when fussed-up nerves tell you that either is harmful—order a tin of this rich, wholesome, satisfying drink.

Youll find it both economical and pleasing.

What's the Matter With America?

A FRENCH NEWSPAPER, admitting its inability to fathom the devious ways of American politics, and wondering what solution the United States will arrive at in regard to the League of Nations, asks in despair, "What is the matter with America?"

The question was handed to Dr. Frank Crane And instead of adopting the spread eagle style of the Fourth of July orator and declaring that "we can lick the world," and vehemently affirming that nothing is wrong with us, tacitly admits that there is room for improvement even in the "good, old U. S. A."

Without wasting words by way of apology, explanation or introduction, Dr. Crane makes the following answer to French's question

Too much competition and not enough co-operation.
Too much party and not enough patriotism
Too much labor union and not enough labor.
Too much hate and not enough understanding.
Too much oil stock and not enough war stamps.
Too many silk shirts and not enough savings bankbooks.
Too many promoters and not enough school teachers.
Too much fight and not enough teamplay.
Too much fear of Bolshevik bugaboos and not enough confidence in the people.
More government aid to hogs than to mothers and babies.
Too much ism and cult and movement and not enough horse sense
Too much national vanity and cockiness and not enough national conscience.
Too much cursing of politicians and not enough interest in politics
Too much bunk about Capital and Labor and not enough effort to get together.
Too much class and not enough democracy.
Too much money and credit and not enough production.
Too much ultimatum and not enough compromise.
Too much pessimism and not enough courage
Too many critics and not enough appreciators.

The Secretary of Agriculture

THE new Secretary of Agriculture is E. D. Meredith, editor of a farm paper and a practical farmer. In this appointment President Wilson has happily followed the sensible precedent of Grover Cleveland, in whose first administration the office of Secretary of Agriculture was created

The first occupant of this office was Norman J. Coleman, editor of "Coleman's Rural World," and who also possessed practical experience in farming. The question was raised then in the partisan press, even as it has been in the appointment of Mr. Meredith, as to the politics of the appointee. But this question is one which the people will leave to the politicians to discuss and decide, for it is of trivial importance compared to the one which involves the fitness of the new secretary to the honorable post to which he has been named. And it goes without saying that if Mr. Meredith makes a good secretary the future will not care whether he is a Democrat or Republican

Of the two latest incumbents in this great office if may be said that they were men prominent in party rather than in farm affairs. Of these two, James Wilson was professor in the Iowa Agricultural College and Mr. Houston head of the Texas Agricultural and Mechanical College.

The day has passed when a man can mount a mere political ladder to the increasingly expert position of Secretary of Agriculture, and the professions of agricultural instruction and journalism offer the most obvious recruiting grounds.

When Secretary Wilson went out of office after more than 15 years of service, it was correctly said that the department had doubled its scope under him. But the increase in its activities during Houston's seven years has also been striking. The States Relations Service, the Bureau of Markets, the Horticultural and Insecticide Boards have all come into existence. Activities resulting from the Smith-Lever act of 1914 in the way of agricultural education and from the county agricultural agent movement have been enormous.

The work of such old offices as that of public roads has much expanded New tasks, like that contemplated in the water power bill, are from time to time thrown on the department.

Hand Sapolio - The Sapolio Toilet Soap Ideal for Toilet and Bath

"SPLENDID" IS THE TERM MRS. SARAH NESBAUM USES

Zanesville Sufferer Has the Best of Reasons for Praising Nerv-Worth.

As this enthusiastic endorsement of 75 years old the following signed statement, made a few days ago is a reassuring message to ailing folks in particular, while offering strong proof of Nerv Worth's merits to sufferers in general

Nerv-Worth Co—I have been using your valuable tonic for some time and find it does me more good than any medicine I have ever taken Have been troubled with stomach ailments for some time and Nerv Worth has greatly relieved my distress I think it is a splendid tonic

SARAH C NESBAUM
126 Van Buren St Zanesville, O

Smith's Drug Store; Pase & Lorenz, Metzler & Robertson sts. Nerv Worth in Coshocton. Your dollar back if this famous family tonic does not benefit you.

PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone Your clogged nostrils will open The air passages of your head will clear and you can breathe freely No more dullness, headache; no hawking, snuffling, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate thru every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly.

It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.

Vigorous Men and Women are in Demand

If your ambition has left you, your happiness has gone forever unless you take advantage of Wimmer-Arnold Drug Co's magnificent offer to refund your money on the first box purchased if Wendell's Ambition Pills do not put your entire system in fine condition and give you the energy and vigor you have lost.

Be ambitious, be strong, be vigorous Bring the ruddy glow of health to your cheeks and the right sparkle that denotes perfect manhood and womanhood to your eyes

Wendell's Ambition Pills, the great nerve tonic ,are splendid for that tired feeling, nervous troubles, poor blood, headaches, neuralgia, restlessness, trembling, nervous prostration, mental depression, loss of appetite and kidney or liver complaints

You take them with this understanding that: In two days you will feel better. In a week you will feel fine, and after taking one box you will have your old-time confidence and ambition or the druggist will refund the price of the box.

Be sure and get a 50 cent box today and get out of the rut. Remember Wimmer-Arnold Drug Co. and dealers everywhere are authorized to guarantee them.

NEW YORK LETTER
Day-By-Day

NEW YORK, Feb. 9—Shades of O. Henry and the days of his hungry, humble ladies in their "fifth floor back walk up without work" who finally sought peace eternal via the gas jet or the river! Never, even in the days when war's alarm and the draft took the boys campward has the call been so loud for female help.

The female workers are picking up and choosing these days and only the most attractive of prospects lure girls to accept jobs Long since the suffering employers gave up the idea of advertising in one and two lines after this manner

Wanted: Experienced saleslady; $15 to start. Address application to box x.

No self respecting, experienced sales lady would in these piping days of jazzed workers and high speed pay checks (come quick and go quicker) look twice at such a request, let alone waste postage. The sales lady and factory girl hunters must needs dilate upon the virtues of his establishment about like this:

"Pleasant surroundings, liberal starting salary, rapid advancement, generous bonus over and above salary every three months; attractive working hours, half day Saturday; work requires no previous experience; bright clean offices, rest rooms, library, fine lunch rooms and food at cost.

This is not an exaggeration but an extra copy of a recent advertisement's preface. "Good pay while learning" is overworked bait and seems to have lost its charms. "Free lunch" and "hot coffee when wanted" are said to have pulling power, so long as the quality is up to standard.

"Steady work" is without virtue. No one wants to keep at anything steady in this era of enforced steadiness. "Numerous vacations on half pay" is far better, and "on full pay" is claimed to be a sure shot.

Let now the uninformed worry about the skilled and ambitious maidens who are not making so much as they would if they were in the profession best suited to their talents. May, Ann and Jane and their sisters have their weather eyes as well as their ears open these days. One and all are ready and willing to listen to reason. Any added attraction or emolument

Important to all Women Readers of this Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased

You may suffer pain in the back, headache and loss of ambition.

Poor health makes you nervous, irritable and may be despondent; it makes any one so.

But hundreds of women claim that Dr Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores. Coshocton Tribune and Times Age.

WALT MASON
SPRING IS COMING

Soon the farmers will be farming, plowing up the bosky dells, skies will soon be blue and charming, and the breezes wearing bells. Every day is bringer nearer Spring the season we admire; and this precious thought grows clearer as I feed the furnace fire When I'm shaking down the ashes, when I'm heaving in the coal, this reflection goes a-flashing through the fibre of my soul; and I wave the rusty poker and I slam the furnace door, for I will not need to stoke her in the springtime anymore. Oh, the winter winds are chilling, and they jolt us when they strike, but the springtime's calmy drilling somewhere up the dusty pike; and she's bringing birds and roses and a swarm of bumble bees! we forget our frosted noses when we think such thoughts as these Spring is coming, gentle reader, with that luscious smile of hers, and the farmer with his seeder will be sowing cockleburs, and we'll get up picnic parties in the sylvan dells and glades, where the happy village smarties will escort the giggling maids; and we'll be knee deep in clover, and forget our every sore, for the winter will be over, and the spring will have the floor.

worthy of attention will get it.

There is a new way of entertaining visitors to New York. Of course visitors have to come here these days to buy and barter and exchange. In the old days a fling on Broadway satisfied the visitor and in a few days he packed up his headache and went home. Now it has been noticed that more and more hosts are taking the visitors to see Trinity church yard and Washington's pew in St. Paul's and ending up with a visit to the aquarium. As a result visitors will be talking about their visits for years and in the old days they didn't remember much about it.

News trickling back to this arid little island that wives have replaced mules in the Turkish harems does not startle. One reads in his own journal that Ricardo Dimmolo, of the East Side, has been using his wife to pack a trunk on her back from house to house where he displayed laces. It was revealed by the fact that after a hard day she dropped the trunk going up stairs and Ricardo basted her in the eye and she called for succor and the police came.

Morris Guest has a Russian Prince working for him in the cast of a Broadway show. All of which isn't bad when you consider that not so long ago Morris was a newsboy in Boston. The prince business doesn't seem to be holding up much these days anyway.

ABE MARTIN

We'd think th' American Legion would go after th' United States Senate before they tackled Jack Dempsey. Mrs Em Moots wrote her name on a fresh egg an' today she got a letter from a chicken.

APPETITE GONE HE HAD BECOME WEAK, NERVOUS

Earle's Hypo-Cod Brought Steady Nerves, Strength and Fine Appetite.

BUILT HIM UP WONDERFULLY

"My son Rollie suffered from a general run down condition. He was nervous and weak and had a very poor appetite," declared Mrs. Coleman who tells below how her son was wonderfully helped thru the use of Earle's Hypo-Cod, she said:

"He now has a splendid appetite, is not nervous and Earle's Hypo-Cod has strengthened and built him up wonderfully. He can eat anything he wants to now and nothing ever hurts his stomach. He feels so much stronger and has a much better color. I know it is a good medicine as the formula is on the package and anyone that reads it cannot help but know it is good," continued Mrs. E. F. Colman of 43 N. Sandusky St., Columbus, O., whose son is employed at the city water works.

There are many young men who lack a hearty appetite, have become nervous and in a general rundown condition due to overwork, strain or sickness that linger on day after day trusting they will soon recover and regain their strength and energy when all they need is a good tonic to quickly bring them back and strengthen their disease resisting vitality to combat possible sickness which their system is wide open to when they are in a rundown and weakened condition. Thousands of thoughtful mothers know this as shown by the many glowing statements from them, many have done like Mrs. Colman did as told above. She read the formula on a bottle of Earle's Hypo-Cod and saw that it was good. Others asked their doctor about it and were told that it was a most powerful tonic as has been said by many doctors, druggists and nurses. Secure a bottle of Earle's Hypo Cod tonight at your druggist.

Earle's Hypo-Cod is sold here by all good druggists and the leading druggists in all nearby towns. Price $1.25 plus 5c war tax.

Summer and Winter Enlist in Marines

WILKES BARRE, PA., Feb. 10. — Joe J. Summer and Francis Patrick Winter enlisted on the same day in the United States Marine Corps here.

Summer and Winter present a striking contrast. Summer is only five feet, four, the minimum height for a Marine, and Winter is six feet, two, the maximum height.

Summer wants to be an athletic instructor, Winter plans to become a "sea-goin'" Marine.

Meter Men Would Defend Themselves

Zanesville meter readers believe, in safety first methods.

They have formed an organization called the Meter Club, with Emmett Wells as president and Scotty Hutch as physical director.

There are twelve members, all of whom are learning the manly art under Director Hutch. Their motto is "There's a Reason."

MEETING POSTPONED

The all-day meeting of the Holloway Missionary Society that was to have been held at the M. E church Tuesday Feb. 10, has been indefinitely postponed.

ACT II—"THE CHOCOLATE SOLDIER"—AT THE 6th ST. THEATRE FRIDAY NIGHT, FEBRUARY 13th.

CROWN PRINCE WOULD BECOME ROYAL MARTYR

LONDON, Feb. 10.—An Exchange telegraph dispatch from Amsterdam today says the former German crown prince has telegraphed to President Wilson and the head of the allied governments saying he is willing to stand trial instead of the German officers who were demanded by the allies last week.

(There were nearly 900 names in the allied list including that of the ex-crown prince.)

NEW JERSEY THE TWENTY NINTH TO RATIFY SUFFRAGE

TRENTON, N. J., Feb. 10.—The assembly of the New Jersey legislature ratified the women suffrage amendment by a vote of 34 to 24 early today, after a four hour filibuster, led by Democrats, had failed. The state senate had ratified the amendment last week. The gallery was filled with women who cheered and waved suffrage banners when the result of the vote was announced this morning. New Jersey is the twenty-ninth state to ratify the amendment enfranchising the women. Seven more state ratifications of the amendment are necessary to make the constitutional amendment effective.

POLICE STATION IS CAPTURED BY THE SINN FEIN

LONDON, Feb. 10.—Two hundred Sinn Feiners attacked and captured the Castle Martyr police station in Cork, seizing a large quantity of arms and ammunition, said a Central news dispatch from York today. Five Sinn Fein prisoners were being detained in the police station when the attack was made. The British miltary authorities at Cork have begun a vigorous search for the raiders.

Volcanic Eruption

REDDING, CALIF., Feb. 10. — Mount Lassen, California's volcano, erupted today. A great cloud of smoke was followed by molten lava. The extent of damage is as yet unknown, but a party from nearby passes started out for the base of the mountain.

SAYS THE DRUG IS AN ETHER COMPOUND

Just a few drops loosens any corn so it lifts out without pain.

You simply say to the drug store man, "Give me a quarter of an ounce of freezone." This will cost very little but is sufficient to remove every hard or soft corn from one's feet.

A few drops applied directly upon a tender, aching corn should relieve the soreness instantly, and soon the entire corn, root and all, can be lifted out with fingers without pain.

This new drug called freezone is an ether compound discovered by a Cincinnati man, who says that while freezone is sticky it dries in a moment, and simply shrivels up the corn without inflaming or even irritating the surrounding tissue or skin.

Don't let father die of infection or lockjaw from whittling at his corns, but cut this out and make him try it.

Good Health Necessary for Success

Conspicuous Success Requires Tireless Energy "Bulldog" Tenacity, Vigorousness

Red-blooded Men in Demand.

Each Year Pepto-Mangan Restores Thousands to the Red-blooded Class

Modern business can't wait for the easily exhausted, nervous, weak-bodied man or woman. Every executive is on the constant lookout for enthusiastic, vigorous, red-blooded individuals, for he knows that with a strong body and a keen mind such employees can very easily stand the strain of heavy responsibilities, quickly master their work and develop into important positions.

After all, being "live," energetic, and full-blooded is just a matter of whether or not a man or woman believes a healthy physical condition worth while for unless you are afflicted with some deep-seated ailment, the intelligent use of Gude's Pepto-Mangan is all that is usually necessary.

Gude's Pepto-Mangan soon produces marked beneficial results. The tired, worn-out, run-down feeling disappears. And in its stead a vigorous wholesomeness and happiness proves that the blood has been supplied with the sorely needed richness to supply the entire system with renewed strength.

When you buy Pepto-Mangan at your druggist's, be sure the name "Gude's" is on the package. You can get it in either liquid or tablet form. If the name "Gude's" is not on the package it is not Pepto-Mangan.—Advertisement.

U. S. Wants The French Monopoly On Tobacco Supply

PARIS, Feb. 10.—Reports that the United States has proposed to take over the French government's tobacco monopoly for 25 years could not be confirmed at the ministry of finance today. Officials of the ministry refused to say anything about the reports.

Men's two dollar Gray Sweater Coats for one forty-nine. "The Buckeye."

HAIR OFTEN RUINED BY WASHING WITH SOAP

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mulsified cocoanut oil (which is pure and greaseless), and is better than the most expensive soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mulsified cocoanut oil at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.

How Much Of Your Energy Is Used In Seeing?

Pretty hard to say. It depends almost altogether upon what condition your eyes are in. If you have an error of vision which is not corrected with glasses, the energy required to overcome it may be excessive. It may be depriving other parts of the body of their supply, be the cause of nervousness, headaches, and other functional derangements. Get back to first principles, and let us tell you about your eyes.

OTIS G. MORSE

Optometrist & Optician. Phone 1557 Main Street, Opposite Courthouse, "My Specialty, Comfortable Vision"

For Indigestion

Mi-O-Na Is Guaranteed to Promptly Relieve Stomach Distress.

People go on suffering from little stomach troubles for years and imagine they have a serious disease.

They over-eat and force on the stomach a lot of extra work.

But they never think that the stomach needs extra help to do extra work.

If these people would take a Mi-o-na Tablet with or after meals it would be a great big help to the stomach in its strain or overwork.

Mi-O-Na helps your tired out stomach to do its work and banishes the cause.

No matter what you eat or drink Mi-O-Na will sweeten your sour stomach and stop gas belching in five minutes. The heaviness disappears and the stomach is greatly aided in its work of digestion.

And Mi-O-Na not only promptly relieves all distress but if taken regularly will banish indigestion.

Druggists everywhere and The Wimmer-Arnold Co. sell Mi-O-Na on the money back plan.

It matters not what excesses have wrecked your nerves, Evans Triple Phosphates are guaranteed to stop your trembling, to restore your confidence, to drive way forgetfulness and to make your mind keen and alert to change your sluggish disposition for a vigorous, active one or money back.

If you have worked too hard, lived too rapidly or have become weak, nervous and lost ambition because of excesses, arouse yourself right now and get a large 12-oz bottle of Evans Triple Phosphate.

Take according to directions or as your physician may direct for at least 10 days and then if you don't feel stronger, better and more ambitious, get your money back. That's how speedily it acts.

All pharmacists dispense Evans Triple Phosphates in the original bottle. Wimmer and Aronld Co. keeps it on hand all the time and says the demand is increasing every day.

YWCA

The Recreation committee met Monday afternoon at the club rooms. Miss Grace I. Carr, chairman of the committee, together with the members of the committee, appointed sub-committees to carry on the different branches of work. Club organizations were also discussed by the committee.

Tuesday night is the night named by the Recreation committee for the weekly social meetings. The first social meeting will take place next Tuesday evening.

Honoring the birthday anniversary of Miss Lola Bible the following enjoyed a dinner party at the club rooms Monday evening: Misses Lola Bible, Henrietta Clark, Frances Ort, Edna Farqunar, Bessie Ort, Bess Denny and Emma Eckert.

BRITISH
(Continued From Page One)

minimum wage, hours of employment and insurance.

3. Health insurance.
4. An anti-dumping measure to protect British goods.
5. Utilization of water power.
6. Reforms in the house of Lords.

LONDON, Feb. 10.—Parliament was reconvened today after nearly two months recess by the King's speech, read from the throne in the house of Lords and began a session which some political observers predict may end in a general election. The old pre-war pomp and splendor marked the opening session, and the scene in the house of Lords was given a vivid dash of color by the jewels and gowns of the peeresses in the royal gallery and the uniforms of the men.

King George and Queen Mary, attired in royal robes, drove in state to the parliament building, accompanied by the Prince of Wales. Intense national interest centered on the King's address and the momentous declaration of policy which Premier Lloyd George was scheduled to deliver in the house later in the day. Before the house of Lords was called to order, it was generally expected the King's speech would touch on the Irish question, the German promise to fulfill the peace treaty terms, the financial crisis, the general industrial outlook and the unfinished business of the peace conference.

Premier Lloyd George was scheduled to begin speaking in the house late in the afternoon when that body begins its debate on the King's address. Early forecasts were that the premier would review both the foreign and domestic situations taking up the financial outlook, including the prospects for reducing the national budget; the Irish home rule muddle; the coalition policy; Russian affairs; German relations as they exist in view of the hostility at Berlin against surrendering German officers demanded for trial, situation as to employment and league of nations. Belief was also expressed that the premier would make some enlightening mention of the possibility of getting the ex-kaiser from Holland for trial.

Bitter assaults are expected to be made on the government's new Irish bill constituting parliaments for Ulster and South Ireland. Ireland, simmering with rebellion, never presented such a difficult problem to the British government as it does today. The labor party would accord Ireland self-rule, an antidote which labor men are equally ready to accord Egypt and India. The government's attitude toward the coalition which the miners are demanding be naturalized, is pregnant with trouble.

A third situation which may put the government in an awkward position is the government's policy toward Russia, linked with the high cost of living and widespread profiteering.

The labor party wants immediate resurrection of relations with Russia.

The political situation as it stands at the resumption of parliamentary business is this:

The conservatives who form, the coalition cannot operate a government that people will stand for without Lloyd George. At the same time the power of the labor party is growing steadily with the labor leaders supporting a clear cut moderate program which they desire to put into effect without any compromise with the coalition. Even members of the Lloyd George cabinet have recognized that something ought to be done to give a new complexion to parliament and suggestions for the formation of a new 'national' or 'center' party have come thru Lord Birkenhead, the lord chancellor, and Winston S. Churchill, secretary of war. Such a scheme they argue, would give parliament new blood and still retain the more valuable elements of the coalition.

Men's Grey Ribbed Union Suits for one dollar nineteen at "The Buckeye."

Doing His Duty

"For two years I suffered agonizing pains in my stomach, belching up sour and bitter fluids and gas. Tongue always coated. Doctors were unable to help me. The first dose of Mayr's Wonderful Remedy made me feel 100 per cent better, and I am now feeling better than at any time in my life. I deem it my duty to advise other sufferers." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Mid-Month List of

Columbia Records

"You Ain't Heard Nothin' Yet" Till You Hear Al Jolson

Al tells you all about his sweetheart—or almost all—in this latest *Sinbad* hit. The famous laugh of this *exclusive* Columbia artist is featured twice, and he keeps you laughing all the time. Coupled with Billy Murray's speedy, tuneful song, "Come On and Play With Me." **A-2836—85c**

Oh, what a Jazz is Ted Lewis Jazz Band's "O"!

Just as these *exclusive* Columbia artists seem to have tied themselves into a musical knot in this syncopated fox-trot, introducing "THE VAMP," they extricate themselves by a melodious miracle and jazz merrily on. Coupled with Gorman's Novelty Syncopators' fox-trot "Barkin' Dog." **A-2844—85c**

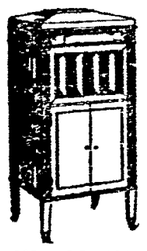

Hickman Trio Hits the High Spots

The Hickman Trio, from Art Hickman's Orchestra, which makes records for Columbia *exclusively*, jazzes the fox-trot "Nobody Knows" and the one-step "Wonderful Pal" in a way to make an aged cripple forget he ever had the gout. **A-2839—85c**

INFLUENZA SPREADING IN THE STATE

COLUMBUS, Feb. 10.—While reports to the State Department of Health indicate a widespread prevalence of influenza, the disease has so far been milder in type than last year and no large number of cases of pneumonia have been reported. Altho the epidemic is in practically all parts of the state department thinks it will spend itself in a comparatively short time.

With the return to the state of many physicians and nurses who were in military service last year, most communities have been able to provide adequate medical and nursing aid. In some localities, however, this service is inadequate and to these communities the State Department of Health has advised the formation of an emergency committee for making the best use of available physicians and nurses and for caring for those families who are unable to afford a private nurse.

The number of cases is so large in many communities that any further increase would make necessary the opening of an emergency hospital. Should this need arise, the State Department of Health has advised all boards of health to make preparations for such action.

Suitable buildings for such emergency hospitals should be chosen and the necessary equipment provided for. The American Red Cross is co-operating fully in this work and local chapters have been called upon to aid in every way possible.

48,000 Drug Stores Sell It. Five million people use it to KILL COLDS

HILL'S CASCARA QUININE BROMIDE

Standard cold remedy for 20 years—in tablet form—safe, sure, no opiates—breaks up a cold in 24 hours—relieves grip in 3 days. Money back if it fails. The genuine box has a Red top with Mr. Hill's picture.

At All Drug Stores

Wounds From Rusty Nails Dangerous

Houstonia Your Safeguard

Serious results, through blood poisoning, often occur from scratches, cuts or wounds from rusty nails or other metal. Don't run this danger. Protect yourself by having a bottle of Houstonia always at hand for emergency use.

Dean McKillip, well-known farmer of Clark Co., Ohio, says: "I stepped on a rusty nail which extended halfway through my foot. I applied Houstonia to the wound and bandaged the foot. In a short time the pain got easier. After five days I did not limp and the wound healed nicely."

Houstonia (The Original Jones' Liniment) may be freely applied to open cuts, sores or burns without fear. It soothes while it heals. At your druggist. 25c, 50c and $1.00 sizes. Be sure you get the genuine House-tone-e-ah with Dr. Jones' picture on the yellow wrapper. The Dr. J. C. Jones Co., S. Charleston, O.

RAILROAD MEN PLAN A STRIKE FOR FEB'Y 17

DETROIT, MICH., Feb. 10. — An order for a general strike of 300,000 members of the Brotherhood of Maintenance of Way employes and railway shop workers, was issued today for Tuesday, February 17, at a meeting of the general chairmen of the organization here today. Allen E. Barker, grand president of the brotherhood announced the strike order after numerous communications from J. B. Malloy, in Washington, who was sent to that city to conduct negotiations with the railroad administration and who advised the general committeemen here that no hope of a favorable settlement exists.

FLU STOPS THE COUNTY'S COURT

The wheels of justice were jammed slightly Monday morning on account of the flu.

J. Howard Shaw, clerk of the courts has it.

The common pleas court is waiting for the clerk to impanel the jury for the trials of Clyde Berder, Thomas Quinlan, jr., and Russell Mitchell, indicted for automobile theft.

BRIGHT SPOTS IN THE DAY'S NEWS

It was one of the public dance halls in Columbus.

The orchestra man who played the traps was pitching things into the air between cymbal clashes.

"Ain't he some juggler," declared a shop girl.

"He sure is. Wonder if he's married," responded her partner.

"Why, what's that got to do with it?" asked the girl.

"Well, I'll bet you his wife don't throw rolling pins at him."

Cuticura Quickly Soothes Itching Scalps

Cuticura kills dandruff, stops itching, the cause of dry, thin and falling hair. Treatment: Gently rub Cuticura Ointment, with the end of the finger, on spots of dandruff and itching. Follow next morning with a hot shampoo of Cuticura Soap. Repeat in two weeks. Nothing better than these fragrant, super-creamy emollients for all skin and scalp troubles.

Sample Each Free by Mail. Address "Cuticura Laboratories Dept 287 Malden Mass." Sold everywhere. Soap 25c Ointment 25 and 50c Talcum 25c.
Cuticura Soap shaves without mug.

How to Use Vick's VapoRub To Prevent Flu

Flu Germs Are Breathed In. Inflamed Air Passages Make Ideal Breeding Grounds For These Germs.

KEEP AIR PASSAGES OPEN

Melt a Little Vick's VapoRub In a Spoon Night and Morning and Inhale Vapors—Also Apply Up the Nostrils Several Times a Day, Especially Just Before Being Exposed to Crowds.

Flu This Year is Milder

While we know very little more about the flu now than we did last year—the germ itself has never been positively identified—still most authorities agree that the flu germs are breathed in. If the system is in good shape and the membrane or lining of the air passages is in healthy condition—these germs are thrown off.

A good plan is to melt a little Vick's VapoRub in a spoon night and morning, and inhale the vapors, also apply a little up the nostrils several times a day, especially just before being exposed to crowds.

Treat All Colds Promptly

Above all, keep free from colds, as colds irritate the lining of the air passages and make them real breeding grounds for germs. Prompt use of Vick's VapoRub aids in preventing colds. For head colds, sore throat or hoarseness, rub Vicks well over the throat and chest and cover with a warm flannel cloth. For deep chest colds, severe sore throat or bronchitis, hot wet towels should first be applied to the throat, chest and back between the shoulder blades to open the pores. Then Vicks should be rubbed in over the parts until the skin is red—spread on thickly and covered with two thicknesses of hot flannel cloths. Leave the clothing loose around the neck, so the vapors released by the body heat, may be freely inhaled.

These vapors, inhaled with each breath, carry the medication directly to the lungs and air passages. At the same time Vicks is absorbed thru and stimulates the skin, thus aiding to relieve the congestion within.

Use of External Treatment for Colds Increasing

Vick's VapoRub is the discovery of a North Carolina druggist who found how to combine in Salve form, the standard time tested remedies, Camphor, Menthol—Eucalyptus, Thyme, etc., so that when the salve is applied to the body heat, these ingredients are liberated in the form of vapors.

Vicks is particularly recommended for children's croup or colds, since it is externally applied and therefore can be used freely and often without the slightest harmful effects.

The best evidence of the value of Vicks is the steadily increasing number of people who have been converted to the use of this "outside" treatment.

Beginning with the customers of a small retail drug store, the use of Vicks has grown year by year—state by state—until now more than 17 million jars are used annually. And this in spite of the fact that Vicks is a new form of treatment to many folks in the North and West. Vicks can be had at druggists in three sizes—30c, 60c, or $1.20.

CORN ROOT-ROT CHECKED

Last summer botanists at the Ohio State University planted corn from disease-free seed and from seed infected by the root rot fungus. The disease-free seed outyielded the other by more than seven bushels per acre.

"The root rot is the most serious corn disease in Ohio," says Prof. W. G. Stover at the University. "It is widely distributed over the state and in some sections already constitutes a real menace to continued corn growing. Another serious feature of this trouble is that the same fungus also causes one of the most destructive diseases of wheat known as scab.

"Infected seed corn can usually be detected during the germination test. The kernels become covered with a cottony growth of white, pink, or yellow mold. The young seedlings are also often rotted or browned inside. If the disease is suspected of being present on the farm the seed corn should be ear-tested and all ears whose kernels mold or rot in this way should be rejected for seed purposes. Another method of reducing losses from this trouble is to select the seed corn on the stalk in the fall.

"Among the symptoms by which the disease may be recognized in the field are the following: Missing hills, dwarfed, yellow plants, often wilted, rotted roots, stained pink, leaning, down, and broken stalks; joints brown inside; stalks barren or with nubbins."

Has Measles

Ianthus, son of Mr. and Mrs. James Mayhew on north Tenth-st. is very ill with measles and pneumonia.

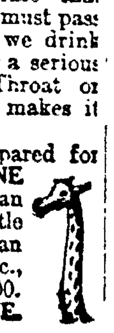

INCREASED PUBLICATION COST GETS THE CORNING JOURNAL

CORNING, N. Y., Feb 10. The Corning Daily Journal has announced suspension of publication because of the increased costs of newspaper publication. The Corning Journal Publishing company will be liquidated.

Sore Throat or Mouth

You should keep the throat and mouth clean and healthy. Any disease that attacks the canal through which must pass the food we eat, the beverages we drink and the very air we breathe is a serious matter. Why neglect Sore Throat or Sore Mouth when TONSILINE makes it so easy for you to get relief?

TONSILINE is specially prepared for that one purpose. TONSILINE does its full duty—you can depend upon it. Keep a bottle in the house—where you can get it quickly when needed. 35c., and 60c. Hospital Size, $1.00. Your druggist sells TONSILINE.

NO LIQUOR IS AVAILABLE FOR SICKNESS HERE

No Coshocton druggists are handling whiskey to be dispensed under prescriptions for medicinal purposes.

They say it's dangerous and that it would create too many sudden friendships.

Doctors too are fighting shy of the proposition but some few plan to take out a license to prescribe it.

Despite the numerous cases of flu there is no great demand for the stuff, druggists assert. But they say that they have noted keen disappointment in the faces of prospective customers when informed that they don't handle it. One wanted a pint of brandy with 12 drops of camphor in it for the treatment of bronchitis.

CLOTHES MAKERS WILL VOTE ON A NEW WAGE SCALE

CLEVELAND, O., Feb. 10.—Union clothing workers are to vote late today on a new wage scale agreed to Sunday by arbitration between the joint board of the union and officials of the Cleveland clothing manufacturers association.

The new scale gives wage increases of $5 and $6 a week to about 2500 workers in the men's clothing industry in Cleveland. Present wages average between $30 and $40 a week.

Injured Miner Is Taken To Hospital

Thomas Woodrome, Wilson-av, who was badly hurt at the Richard Eckles coal mine near the Warwick mines was taken to the City hospital late Sunday afternoon. Mr. Woodrome was in a satisfactory condition Monday.

Strawberry Varieties For Ohio Gardens

What are the best strawberry varieties to plant? This question is answered by horticulturists at the Ohio Experiment Station, who have been testing strawberry varieties for a number of years.

For early eating, Fairfield, Haverland or Senator Dunlap may be used. Gandy and Chesapeake are recommended as the best late varieties.

Where high table quality is desired, Wilson, Belt, Marshall, Sample and Dubach are suitable. Warfield, Senator Dunlap and Gandy are better fitted for canning.

The Warfield, Gandy and Aroma varieties will stand fairly long shipment and are adapted for distant markets. For the home market, Sample, Parson's Beauty, Senator Dunlap and Haverland may be successfully grown.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c.

DON'T DESPAIR

If you are troubled with pains or aches; feel tired; have headache, indigestion, insomnia; painful passage of urine, you will find relief in

AUTOMOBILES AND ACCESSORIES

DON'T DELAY

NOW is the time to have those 'BLOW OUTS', TORN CASINGS, PUNCTURED TUBES, etc., repaired and put in first-class shape for Spring and Summer use—and HERE is where the work should be done.

We have STEAM VULCANIZING EQUIPMENT (electric or gasoline vulcanizing takes the "life" out of rubber) we use the best materials and every detail of the work is painstakingly done by experts.

We solicit a trial.

THE COSHOCTON VULCANIZING CO.
Bachert Bldg., Walnut-St.

SPECIAL NOTICES

NOTICE—Madam Belle, palmist, "The Woman Who Knows," located at room 20 Standen hotel; hours 10:30 to 9:00.

Phelps' oyster train has arrived; plenty of oysters at the Fulton Market.

TESTING SHOWS WINTER SEED CORN INJURY

Considerable anxiety is manifested over the seed corn situation as shown by letters sent the Ohio Experiment Station. This is due to the exceedingly cold weather thruout January, as freezing weather nearly always lowers the germination test of seed corn.

The situation is not so acute as during the spring of 1918 when much of the seed corn had been injured by early December, 1917, zero weather. At that time the moisture content was so excessive that the freezing quickly destroyed the corn germs.

Seed corn stored last fall on the average had a low moisture content so that heavy freezing thruout the winter may not have done severe damage.

Careful testing of seed corn is the only way that farmers will be able to tell whether their seed has been damaged or not. Specialists point out that to conduct a complete test 6 grains should be removed from each ear and checked up, so that any ears showing a poor test or weak germination may be discarded.

NOTICE TO CONTRACTORS AND SIDDERS

Sealed proposals will be received by the Board of Education of the West Carlisle Rural School District at the regular place of meeting of such board of education until 12 o'clock, noon, central standard time, the 15th day of March, 1920.

The above proposals shall be for furnishing the necessary labor and material, for the erection and completion of a three room school building in accordance with the plans and specifications on file with the clerk of said board of education, Mr. Frank C. Welling, West Carlisle, Ohio. Such plans are on file for the purpose of public inspection at any time during ordinary business hours until the date of receiving bids.

Upon application to the clerk of the board of education, plans and specifications will be furnished to bidders upon conditions to be stipulated by the clerk.

Bids will be received as follows:

Bids for labor and material must be separately stated.

Bids will be received for the general construction of the entire work according to law, including heating and ventilating.

Separate bids will be received for the heating and ventilating.

Bids must be made out on uniform blank forms, which will be furnished by the Clerk of said Board of Education.

The Board reserves the right to accept separate bids or complete bids, or reject any or all bids in accordance with the laws of the state of Ohio.

Each bid must be accompanied with a sufficient security satisfactory to the board, to the amount of five per cent (5 per cent) of the total amount of the bid, as a guarantee that if successful, the contractor submitting the bid will enter into a contract immediately and begin actual work within ten days from date of signing contract.

Should any bid be rejected, surety will be returned forthwith to the bidder. The surety of the successful bidder will be returned upon proper execution of the contract and bond. The successful bidder for any part of the work shall furnish the board with a satisfactory bond, which bond must be approved by the attorney for the Board of Education. This bond shall be equal to fifty percent (50 per cent) of the contract price, conditional upon the faithful performance of the contract and full payments by said contractor for all material and labor used in the building in strict accordance with the laws existing in the state of Ohio.

By order of the Board of Education of the West Carlisle Rural School District, Coshocton-co, Ohio.

FRANK C. WELLING, Clerk.

Feb. 10, 17, 24; March 2, 9.

ADVERTISEMENT—

Separate sealed proposals will be received by the Director of Public Service and Safety of the City of Coshocton, Ohio, at his office in the City Hall building until 12 o'clock, noon, Thursday, Feb. 26, 1920, for improving by PAVING, NINTH ST. from Orange to Pine-st TENTH ST. from Walnut to Vine-st. ORCHARD ST from Tenth to 12th-st. and the ALLEY leading from Fourth-st to Third-st between Walnut-st and Main-st and from Mulberry-st across Walnut-st to the alley from Fourth-st to Third-st; also by constructing a sanitary sewer and otherwise improving ORANGE St from Cambridge-st to the east end of Orange-st on or before Nov. 15, 1920.

All according to the plans and specifications hitherto adopted and now on file with said director.

Each bid shall be accompanied by a certified check for at least 10 per cent of the total tabulated price bid as a guarantee that if awarded the contract the same will be entered into within ten days or the guaranty will otherwise be forfeited.

The Director reserves the right to reject any or all bids for any reason whatsoever.

RAY S. BLINN.
Director Public Service & Safety.
Feb. 11, 18, 25.

Vacant lot owners please make sewer connections on these paving improvements early to allow ditches to settle. Director Pub. Service.

Has Postcard Photo Taken From Doughboy By German

WINSTON SALEM, N. C., Feb. 10.—Mr. Grady C. Stone, of No. 902 Bellewood avenue, this city, has in his possession a postcard picture which was the property of some American soldier killed in the Meuse-Argonne offensive in November, 1918. He obtained the picture from a German soldier on the day of the signing of the armistice. The German stated that he had taken it from the body of an American as it was being buried. Mr. Stone is trying to find the relatives of the dead hero in order that he may return the picture to them. The picture appears to be the family group of the soldier in which are himself, his father and mother, a brother and seven sisters. It is taken at the side of a frame dwelling on which are tacked two striped blankets as a background.

Announcement of Candidates

Editor Tribune and Times-Age:

Will you please announce my name as a candidate for Treasurer of Coshocton-co, subject to the will of the Democratic primary, August 3, 1920.

D. M. FRY.

Farms Wanted

We need at least 50 more farms for our new catalog. We don't claim to be the world's greatest farm agency, but we have sold more farms in Coshocton, Tuscarawas and Guernsey counties, the past year than all the other real estate agents put together. We sold 82 farms, mailed over 10,000 catalogs, and have at present over 6,000 inquiries for farms. If you have real estate to sell it will pay you to place it in the H. H. Masters farm agency, the largest agency of its kind in Ohio. Write us and we will call on you, or come to my office.

H. H. Masters and C. F. Clark, agents, Ricketts Bldg., Coshocton, O., phone 977.

Over the County

ISLETA

A. J. Stewart visited last week in Steubenville.

Mrs. Chas. Foster and son spent the past week at the home of her father, J. A. Funk.

Counting the Cost.

Prospective Bridegroom (in furniture shop)—These prices make me give up all thoughts of marriage. I now realize it'll be cheaper to let her sue me for breach of promise.—London Opinion.

WORKS HARD TO AVERT FLU EPIDEMIC

Government and City Health Officials Warn People to Keep Clean.

Stay Away from People with Coughs and Colds.

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite Influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply.

He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and sooth and heal the inflamed membrane in a few days.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Pour three-quarters of an ounce of Mentholized Arcine into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Arcine in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

CITY DADS DECIDE EXTENSIVE IMPROVEMENTS WILL NOT BE UNDERTAKEN; TREASURY'S FLAT

WILL REMOVE RIVERS TO A STATE ASYLUM

Verne Rivers, 37, adjudged insane in the probate court Tuesday, is awaiting removal to some state institution, probably an asylum for the criminally insane. Dr J. G Smailes and Dr Lister Pomerene conducted the examination.

Rivers declared that he burned his step-father's home on north Sixteenth-st, a fire that occurred almost a year ago.

PRESBYTERIANS PLAN NEW GYM

Members of the Presbyterian church Tuesday were considering the erection of a building in the rear of the church on south Fourth-st to be used as a gymnasium.

Plans and specifications have been submitted for a $20,000 structure to be constructed of brick and cement. The building would also serve the purpose of an auditorium and general utility hall. Definite action on the proposed construction will be taken soon.

Coshocton's improvement program for the present year may be curtailed as the result of the city council's session Monday evening.

Bravely and determinedly the city dads faced the solid facts and cold figures.

Neglect of years has caused a shrinkage in the funds until now it is believed to be financial suicide to undertake extensive improvements.

City Solicitor George D. Klein and Ramey Curtis, secretary of the sinking fund trustees were instrumental in delivering the blow that jolted the new council to action Monday evening.

Improvements, however, that are now in the last stage of completion will not be abandoned but no new ones will be undertaken until the financial tangle of the city is straightened.

In one case alone it was shown the council Monday evening where an expenditure of between $12,000 and $15,000 had been made than the neglect of a former official to certify the tax duplicates to the county auditor.

Similar mistakes extending back over a period of years were cited and brought to the attention of the city dads.

The finance committee of the council will take the puzzle in connection with the tax and sinking fund trustees and a report will be made if possible at the next meeting.

The president of the council, Howard Norris, spoke most appreciatively of the present mayor and the safety-service director in a statement Tuesday relative to the situation confronting Coshocton.

A letter of explanation, occasioned by the recent criticism of the hospital in connection with the refusal to admit Sanford Miller, coasting victim, will be drafted and forwarded to the Trades Council in answer to the letter from that body which was read to the councilmen Monday evening.

Resolutions to provide for the issuance of bonds of indebtedness in the sum of $2400 to pay valid outstanding debts of the city were passed Monday evening.

Before adjourning the street committee was directed to confer with officials of the American Art Works concerning the latter's request to erect a derrick and carrier on south Fifth-st to operate between the two plants there.

NO FEAR OF VIOLENCE IN NITELETS' ACTION

It's dangerous to experiment with drugs when thousands have found that Nitelets give safe and comfortable relief. No pain, no griping, just take Nitelets tonight and feel fine in the morning. 10c and 25c.

Blames Women's Foibles for High Cost of Clothes

WASHINGTON, Feb. 10. — "The American woman's weakness for fads and fancies has upset all laws of supply and demand, and caused a tremendous sky-rocketing of prices for feminine apparel."

With this pronouncement, Howard Figg, assistant to the attorney general, government doctor for the high cost of living, started a crusade designed to reduce the cost of women's clothing and other attire thru limiting varieties of styles and grades of goods.

Manufacturers of women's apparel have been called to Washington for a conference at which an agreement may be reached to standardize the out put of the factories and in this way effect reductions in overhead cost of operation, with lower cost to consumer.

Renfrew Estate Is Appraised At $41,163.84

The estate of the late Thomas B. Renfrew is valued at $41,163.84 according to the appraisement filed in the probate court Tuesday. The appraisers were Lewis Brendle, G. W. Cassingham and C. H. Magruder.

Among stocks listed in the report are 15 shares of Ohio Service appraised at $1275. Mr. Renfrew left considerable money in the shape of liberty bonds, there being $17,480.00 alone in bonds of the fourth loan.

A petition to sell the personal property of Mr. Renfrew was filed by Floyd M. Holl, executor.

Justin McVey Is Dead At Granville

Justin McVey, aged about 50, died at his home on a farm near Granville Monday morning with pneumonia. Mr. McVey had been confined to his bed for over a week.

Mr. McVey was born in the Keene vicinity and lived in Keene-tp until three years ago when he with his wife and family moved to Hamilton-av of this city. They resided here about two years when they moved to Granville.

There are surviving besides the wife, two sons, Virgil and Thad and two daughters, Fern and Nora, all of Granville.

No funeral arrangements had yet been made Tuesday.

Lane Resigns To Head Oil Company

WASHINGTON, Feb. 10.—Secretary of the Interior Lane has tendered his resignation to President Wilson effective March 1.

It is understood that Secretary Lane will become president of the Sinclair Oil company, a developing concern.

The resignation of Secretary Lane has been expected for several weeks and he has had an understanding with the president that it would be withheld until the president recovered from his illness Secretary Lane's home is in San Francisco. He has been a member of the cabinet during the entire Wilson administration.

Will Is Probated

The will of the late Cassimere Lorenz was probated Tuesday. All his money and property are left to his wife, and upon her death to his children.

Has Measles

Mrs. Byron Fischer, 209 north Sixth-st is confined to her home with measles.

TEACHERS RECOVER

Miss Harriet Leffler, Miss Lera Trovinger, Miss Clara Dawson and Floyd Shafer all local school teachers of the Central high school were back Tuesday ready to resume their duties after being confined to their homes with the flu.

Save fully one-fourth on your suit or overcoat during "The Buckeye's" Expansion Sale.

LEONARD FAILS TO KNOCK OUT JOHNNY DUNDEE

NEW YORK, Feb. 10.—Benny Leonard and Johnny Dundee will never settle their feud to the satisfaction of the boxing public in a short, no decision bout.

This is the consensus of opinion among boxing fans in this section, it was the ninth meeting between the lightweight champion and his foremost challenger in Jersey City.

As a spectacle the Leonard-Dundee scrap could have scarcely been improved. It was a whirlwind. Dundee fought with the apparent ferociousness of a demon. But he took an artistic beating. Master in the art of blocking Leonard warded off two thirds of the Italian's sturdy blows, all the while shooting stinging lefts and choppy rights to various parts of Dundee's anatomy. The champion handed Dundee a lacing but he contented himself with that. He did not follow up every advantage.

To Dundee's credit it must be said he is the most rugged lightweight since the days of battling Nelson. He is closer knit and stronger than Leonard. Many an old timer who saw Dundee at his best last night is of the opinion today that if he only had science, he would be a world's champion.

Leonard entered the ring with the Italian with the avowed intention of trying to knock him out. He failed. And boxing fans who witnessed the bout are convinced the only way the feud between the champion and his rival can be settled is over the champion route.

League Magnates All Set For Big Battle At Chicago

CHICAGO, Feb. 10.—The stage was set today for a finish fight in one of the biggest big league rows in the history of professional baseball—the factional jam between directors of the American league.

President Ban Johnson will call the formal meeting of the directors to order at noon—but it is not expected to remain in order for any great length of time. Ballistically speaking verbal pop bottles are going thud all over the diamond, with Ban as the target.

Immediately after the arrival of owners Ruppert and Huston of the New York club and President Frazee of the Boston Red Sox, announcement was made that it was going to be a fight to a finish. They joined Comisky of the White Sox in an informal meeting at the Sox office.

In the meantime the Ban Johnson faction, composed of Navin, of Detroit, Mack of Philadelphia, Griffith of Washington, Ball of St. Louis, Dunn of Cleveland, and the redoubtable Dan himself, met at the Congress hotel to map out their battle plans. They had nothing to say regarding the impending scrap, but it was apparent they intended remaining solidly lined up against the three club owners, who have taken the offensive in the fight.

The first skirmish today is expected to be over the question of admitting newspaper men to the session which Colonel Ruppert said he would propose The proposal is almost certain to lose by the five to 3 route.

At the same hour President Heydler will call the formal meeting of the National league to order their session is expected to be a fast one, as they have little to do except to adopt the season's schedule.

Both leagues have decided to bar freak pitching, with the exception of the spit ball, which will hold forth one more season before being relegated to the has-been club. Its use will be confined only to two pitchers in each club who have used it in the past.

Only one other important change in playing rules was adopted—the allowing of a home run to a batter anytime he hits the ball out of the lot on fair ground.

American Association and Three Eye league club owners completed their schedules, the former adopting a card of 168 games and the latter 140. The Three Eye league was expanded from a six to an eight club league, with Cedar Rapids, Iowa and Rock Island, Illinois, as the new franchise holders

Western League magnates met today.

Three Attributes American Women Now Need Most

CHICAGO, Feb 10—Thrift, caution and good sense are the three attributes needed most by the women of America.

This was the declaration here of David B. Forgan, prominent financier, addressing the leaders of the women's division of the Federal securities corporation.

"Never plunge into investment," advised Mr Forgan, "without the advice of some man who knows. After you have had his advice go to another of equal good judgment. Compare the two. If they jibe, it's pretty safe to go ahead."

Women should have knowledge of the handling of money in all its branches, Mr. Forgan declared, and urged that they study financial conditions as a stepping stone to success.

"Spend prudently, save systematically and invest wisely," he advised.

CARD OF THANKS

We desire to thank our many friends and relatives for the kindness shown us at the death of our dear child. Also for the beautiful floral offerings, Rev Lehn and Rev. Meade for their consoling words, also singers and for every act of kindness shown us.

Mr. and Mrs. Geo. Neldon.

Mrs. Scatterday, Dance Hall Inspector, at Student Parties; She Is Astonished

COLUMBUS, Feb. 10.—Perhaps several hundred Ohio State university students, who executed the shimmy, camel walk and all the well known glides, dips, shakes and cheek to cheek dancing with such careless and Freedom Saturday night South ern, would have been a little uneasy had they known the city dance hall inspector was standing aft most of the evening.

When Mrs. Evelyn Scatterday, who polices all the terpsichorean centers with a view of making frequenters keep "within the pale," dropped in on a subscription dance given for the benefit of the Scarlet Mask, the university's new musical comedy organization, she found things active.

"The majority of boys and girls here," said she, "are dancing cheek to cheek and doing other things that are prohibited in public dance halls under strict laws and regulations."

She was told that the dance was private and therefore could not possibly come under jurisdiction.

"Subscription dances in hotels or public dance halls come under the law," she explained, "and it is my business to investigate."

What she saw to investigate was "a very lovely party in some respects, but violation of city rules in others."

To elucidate — she saw cheeks firmly planted against cheeks and ear puffs; she saw long glides accompanied by closed eyes and faraway looks; she saw the thing they call the shimmy.

"And I saw, also, and see all the time, more cheek to cheek dancing and violation of regulations at such subscription dances than among those who attend public dance halls," she affirmed climatically.

Recent stringent rules and regulations posted in most public dance halls have been having a very decided and beneficial effect, she said, however.

"If hotels and clubs, which are responsible for the dancing done on their floors, do not enforce the rules more firmly they will have to be closed," she added further.

Another university subscription dance at the Virginia hotel Saturday night, given by a boarding club, was also severely criticized by Mrs. Scatterday.

"University students think, I believe, that because they are students, they are not obliged to comply with these regulations," she remarked. "They are—just as much as any other boys and girls."

Students yesterday said Mrs. Scatterday's criticism was unjust.

"Y' can't help dancing cheek to cheek these days—the way the boys hold," said one co-ed. "Y' know it'd break your neck if y' didn't."

Mrs. Scatterday said yesterday she would refer the complaint to Professor Joseph S. Myers, chairman of the entertainment committee, and ask his co-operation in eliminating cheek to cheek dancing among students when at public dances.

Men's two dollar Gray Sweater Coats for one forty-nine. "The Buckeye."

Thomson Gives Talk At Rotary Meeting

Cement was the topic selected by J. W. Thompson for his vocational talk at the noon day meeting of the Rotary Club at the Park Hotel Tuesday noon. Mr. Thompson told in an interesting manner the different ways that Portland cement can be used.

Ridgley Thrapp chairman of the entertainment committee called on several members to explain how they had used cement in new building in connection with their own business.

Rivers Are Quiet

The thawing of Monday and Tuesday had no effect on the two rivers. Both rivers are normal. It was slightly warmer Tuesday.

Men's Dress Shirts. One fifty values for ninety-five cents. "The Buckeye."

Account Filed

The first and final account of Edna McGiffin, administratrix of the estate of R. E. McGiffin, was filed in probate court Tuesday.

Two Have Flu

Mrs. Henry Lorenz, 306 Hamilton-av and her two daughters Margaret and Winifred are confined to their home suffering with the flu.

Promise With a Proviso.

A Chicago boy of six was being shown through the Art institute by his mother, who stopped before one of the "old masters" and, after explaining the beauty and value of the picture, said: "Now, dearie, won't you promise to remember all I have told you about this picture?" The young hopeful said: "Yes, I will if you will promise never to bring me here again."

Fifteen per cent off on boys clothes at "The Buckeye."

West Lafayette Road Expense Apportioned Tues.

Arrangements were made at the meeting of the county commissioners Tuesday for the distribution of expense for the improvement of the West Lafayette road. The assessment will include both Lafayette and Oxford-tps.

The commissioners are peeved at the attitude taken by the Coshocton County Automobile club on the recent proposition of securing trucks for county road improvement. discussed lately in a joint session of the commissioners and representatives of the club.

One of the commissioners declared the stand of the club to be unfair and stated that the commissioners were ready to take reasonable action in the matter of road improvement but were not willing to provide and equip small trucks for such a purpose. "If it were a case of large and adequate trucks we might consider it," he said. "However, if they want to secure the smaller ones and provide for the expense of equipping them we won't stand in their way. But we do believe that it will prove unsatisfactory and expensive."

Come with the crowds to "The Buckeye's" Remodeling Sale. Save money.

THEFT OF CORN COSTS DUNN $30

Harry Dunn, Hardscrabble, pleaded guilty Monday afternoon in Justice E. G. Abbott's court to the theft of stealing corn belonging to W. W. Watson of the Fisher farm near the fair grounds. Corn stolen from Mr. Watson had been missing for three weeks. Mr. Watson caught his man Friday night with a gunny sack prepared to steal more, he alleges.

Constable Pangle was notified and the arrest was made.

Dunn was released providing he pay for the corn amounting to $15 and his fine and costs of $15.

Fifteen per cent off on boys clothes at "The Buckeye."

Petitions To Sell Emerson Lands

Seldon McCormick, administrator of the estate of Clarinda Emerson, filed a petition to sell the real estate in probate court Tuesday.

The total appraisement of the estate is $5,451.44, E. E. Clark, Frank Hamilton and T. K. Finlay were the appraisers.
